Materials:

1 cup of water

Material:

1 taza de agua

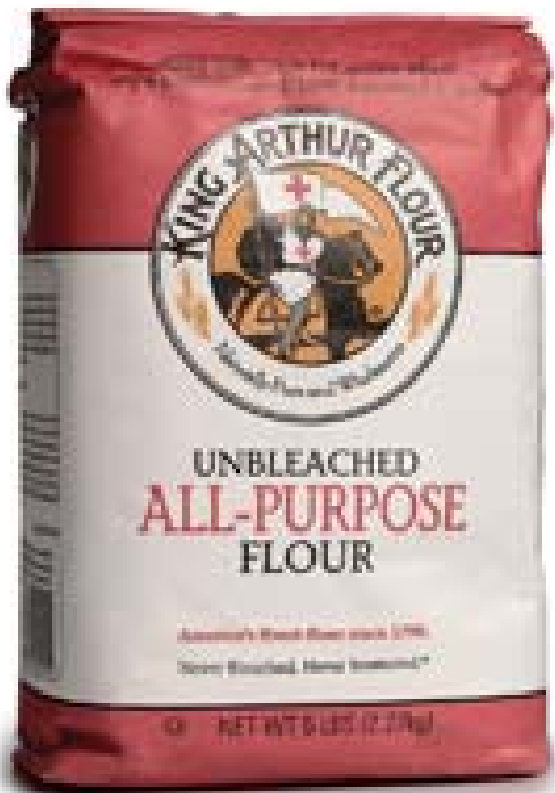

Food coloring

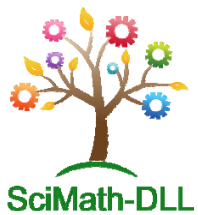

Colorante alimentario

2 cups of flour
2 tazas de harina

1 cup of salt

1 taza de sal

1 tablespoon of oil
1 cucharada de aceite

1 container or Ziploc[®] bag to put the play dough in

1 contenedor o bolsa Ziploc[®] para poner la plastilina

Steps:

1. Mix food coloring with 1 cup of water.

Pasos:

1. *Mezclar el colorante alimentario con 1 taza de agua.*

2. Add 1 tablespoon of oil to colored water.

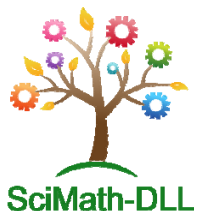

2. Añadir 1 cucharada de aceite al agua coloreada.

3. Mix 2 cups of flour and 1 cup of salt together.

3. Mezclar 2 tazas de harina y 1 taza de sal.

4. Add oil and water mixture to flour and salt mixture.

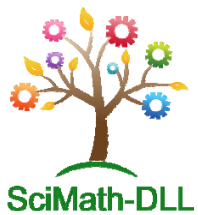

4. Añadir la mezcla de aceite y agua a la mezcla de harina y sal.

5. Mix all the ingredients together. Knead the mixture until doughy.

*5. Mezclar todos los ingredientes juntos.
Amasar la mezcla hasta que se ponga
pastosa.*

6. After you play with the play dough, put it into a container or Ziploc[®] bag.

6. Después de jugar con la plastilina, pongala en un contenedor o una bolsa Ziploc[®].
